## **Letter of Recommendation**

### **To Whom It May Concern,**

My name is Trieu Thanh Le, Dean of the Faculty of Journalism and Communications, Vietnam National University Ho Chi Minh City - University of Social Sciences and Humanities. It gives me great pleasure to recommend Duong Thi Ha to attend the Master's Degree Program of Journalism and Communications at your university.

I taught Ms. Ha in some courses as History of International Journalism and Mass Media Research Methodology. I am impressed with Ha's intelligence and her hard-working. Besides, she shows her dynamic personality, determined spirit and incessant efforts. When I assigned the final research communication and requested Ms. Ha for teamwork, she completed an excellent task and achieved a high grade. Her group chose the topic of influence of social media on the young's behaviors. This topic reflects the true social situation and has high applicability.

Regarding the performances in class, I found Ms. Ha has the skills to find, analyze, select information. She also has creative ideas to exploit and develop research topics. She has an excellent ability to work independently and in teamwork. Students work in groups with Ms. Ha who also appreciate the sense of responsibility and the enthusiasm to help her friends. Moreover, Ms. Ha has good communication skills. She can persuade her classmates to organize activities to donate books, clothes for poor children, fund-raising sales, and participate in the Sports Festival. Additionally, I am impressed with her meticulousness, carefulness and back-up planning skill for any situation.

With a progressive spirit, positive learning attitude and many suitable qualities to become a communication specialist, Ms. Ha will be a potential candidate for your school's scholarship program. Therefore, I hope that Duong Thi Ha can be selected to become one of the students studying in the Master's program in Journalism and Communications of the school. If you would like to find out more about Ms. Ha, please feel free to contact me. Thank you very much.

Yours sincerely,

Trieu Thanh Le, Ph.D.

Dean of Faculty of Journalism and Communications
